

TransForm Shared Service Organization (“TransForm”) is a not-for-profit, shared service organization founded by the five hospitals in southwestern Ontario to manage their hospital IT and supply chain needs.

As a leader in health system innovation, TransForm has developed and implemented advanced initiatives that improve efficiency and help customers focus on providing outstanding care and service.

TransForm’s goal is to provide exceptional customer service, find opportunities to reduce costs, increase efficiencies while improving the performance of healthcare organizations in an evolving system.

TransForm has an important contribution to make in reducing the rate of growth in healthcare spending. Current and future investments made by TransForm on behalf of the members must align to achieve measurable returns to limited public funds. Innovation and new business opportunities are encouraged with a focus on resourcefulness and creativity that results in improved patient outcomes and lower costs.

TransForm’s strategic plan for 2021 to 2023 builds on growth strategies that have been the organizational focus for several years. TransForm’s forward-thinking strategic initiatives are grouped into three areas of focus including: a Digital Health Strategy, Health System Advancement and Organizational Excellence.

Defining the Future

Reporting to the Board of Directors, the Chief Executive Officer (CEO) will provide strong, principled leadership to ensure TransForm delivers on its agenda – to ensure delivery of exceptional and cost effective services and creating new opportunities to improve value to the health system.

Foundational to the CEO’s mandate is the need to develop the next level of momentum in the delivery of comprehensive technology, procurement, project management and other services by TransForm to its customers. As the key advisor to our Board, you will have the vision to develop and implement operational plans and ensure the coordination of services which align to and support the strategic plan priorities. You will recommend policies, plans, and programs that benefit our customers by being innovative, accountable, and fiscally sound. You will work to enhance growth and development of our organization while ensuring the effective utilization of resources through the priorities and focus areas in our strategic plan.

As the CEO, you will guide and inspire a dedicated workforce focused on ensuring services are delivered in a timely fashion, while exceeding customer expectations and positioning TransForm as an employer of choice.

Professional Qualifications

As the ideal candidate you will be an inspiring, principled, and collaborative leader with a proven track record of results and accomplishments in a complex, multi-stakeholder public or private sector organization. You have exceptional communication skills and the political acumen to interact with diverse stakeholders, development of partnerships, engage, and inspire our employees, while ensuring customer service excellence and business growth. Lastly, you will have an exceptional understanding of forward-thinking strategies and innovations as it relates to enabling technologies and approaches for the next generation of Digital Health solutions, modern procurement practices and possess the ability to guide our organization into the future.
