

Director of Finance and Asset Management

Location: Parry Sound

At the District of Parry Sound Social Services Board, we are committed to the provision and promotion of services that assist individuals in our community in attaining an optimum quality of life. We are also dedicated to the growth and well-being of our employees, encouraging learning opportunities and providing excellent pay and benefits, including a defined benefit pension plan (OMERS). Located in the beautiful 30,000 Islands Georgian Bay cottage country, the District, with a population approaching 45,000, is the most southern District of Northern Ontario and is a vibrant and dynamic community in which to live, work and play. Located on Hwy 400, approximately 2 hours north of Toronto, Parry Sound is located on the shores of Georgian Bay in the UNESCO designated Georgian Bay Biosphere Reserve.

The Director of Finance and Asset Management carries overall responsibility for the financial and asset management of the District of Parry Sound Social Services Administration Board. The Director is responsible for the coordination, implementation and evaluation of the financial and asset management goals and objectives of the organization within the framework of the strategic plan and directives of the Board, in compliance with relevant legislation. The Director will ensure accuracy of financial and statistical information and provide leadership and guidance to finance department staff members.

The successful candidate will possess the following qualifications:

- Recognized professional accounting designation (CPA).
- Post-Secondary degree in Accounting, Finance, or a related discipline.
- Minimum of six years' senior management level experience in a public sector accounting environment.
- Extensive experience in financial accounting and reporting, budgeting and forecasting, risk management, financial and strategic planning.
- Demonstrated ability to work in an environment with complex and multi-layered accountability frameworks, to balance the risks and opportunities and think creatively.
- Experience working in municipal government organizations, with an understanding of financial roles and responsibilities, regulatory requirements and a broad understanding of the sector.
- Experience with the research, planning, preparation and ongoing reporting, monitoring, and analysis of organization-wide budgets in a public sector setting.
- Superior ability to think and act strategically in a public sector environment. and translate strategic direction into clear organizational goals.
