

Director Infrastructure Services

The District of Coldstream www.coldstream.ca , is a vibrant, family-friendly community situated in the North Okanagan and within a four-hour drive of Vancouver. Nestled in the Coldstream Valley, the area is well known for its agricultural opportunities, spectacular scenery, and all season's recreation including, world-class fishing, boating, and skiing. With a stable population of 11,600 residents, it is the second largest municipality within the North Okanagan Regional District. To meet the increasing demands of the community's consistent growth, as well as providing their residents and visitors the very best of services, the organization is looking to attract a strategically focused senior executive as Director, Infrastructure Services.

As Director you will report to the Chief Administrative Officer and provide support to District Council. A key member of the Senior Leadership Team, the Director of Infrastructure Services is an exempt position responsible for the overall supervision of engineering, operations and maintenance programs including roads, drainage, cemetery, water and sewer utilities, parks, and related facilities. This includes oversight of all contracts relating to municipal infrastructure, engineering, public works, and parks. The position is responsible for directing and carrying out activities required for the management of municipal infrastructure consistent with adopted plans, policies, bylaws, regulations and specifications of the District, supervising staff in carrying out duties and coordinates the activities of the Infrastructure Services Department with other departments and senior staff of the District.

Ideally you are a PEng or a CET with 8 to 10 years in a senior leadership role experienced in water, sewer, roads, parks, infrastructure design, construction, operations, and maintenance within a municipal or consulting firm setting. Experienced at working with external consultants, you are a big picture leader, practical problem solver, deal effectively with competing priorities and are highly respected for your ability to work well under pressure. You are an experienced strategic leader known for your ability to execute and deliver results. You have experience managing diverse teams in a unionized environment and are well respected for your professionalism, commitment, and passion in your leadership role. You hold your staff accountable, yet you are realistic. Your

public speaking abilities and impeccable people skills are your trademark, and you deal effectively with all levels of clients and staff.

Are you self-motivated and looking to take on a new challenge where you can make a difference? Do you enjoy both responsibility and accountability and ready to join one of British Columbia's most progressive and sought after municipalities? If so, please forward your resume online quoting CDIS to, grantsmith@waterhousesearch.com
